Prices for incremental 'top-up' approach

This does make the total price of a Certificate or Diploma more expensive. This is because the CMI charge a new registration fee each time you finish one qualification and top-up to the next.

Instalment plans available on request (see plans on previous page for an indication)

Qualification	Direct enrolment on Award	Incremental top up to Certificate	Direct enrolment on Certificate	Incremental top up to Diploma	Direct enrolment on Diploma
Level 3	£500	£365	£795	£780	£1,495
