Incremental top-up approach

It is possible for you to build your qualification via an incremental approach. Taking this approach will cost you a more than a direct enrolment.

For example:

You could enrol on an Award and complete one unit. You will then receive a certificate for the Award and, if you wish, you could then stop at this point. However, if you then decide to progress, you could do a top-up enrolment to the Certificate, Diploma or Extended Diploma. Alternatively, you may start with a Certificate and top up to a Diploma etc.

The prices for this incremental approach are on the next page:

Qualification	Direct enrolment on Award	Incremental top up to Certificate	Direct enrolment on Certificate	Incremental top up to Diploma	Direct enrolment on Diploma	Incremental top up to Extended Diploma	Direct enrolment on Extended Diploma
Level 2	£375 + vat	£250 + vat	£575 + vat	£480 + vat	£995 + vat	n/a	n/a
Level 3	£445 + vat	£260 + vat	£645 + vat	£620 + vat	£1,195 + vat	n/a	n/a

Level 7	£595 + vat	£435 + vat	£945 + vat	£895 + vat	£1,745 + vat	£555 + vat	£2,195 + vat

Note: the following examples illustrate how the incremental pricing works:

Level 2 Award moving to Level 2 Certificate - £375 + (250) = £625 + vat

Level 5 Award moving straight to Level 5 Diploma - £495 + (£370 + £730 + £490) = £2,085 + vat
